

Covid-19 resource centre

Ayanda Mafuleka
CEO - Fasset

Dear Valued Stakeholder,

As we near the end of Level 5 of the lockdown on 30 April 2020, and as the country we will enter into the Level 4 from 1 May 2020: Well done for keeping positive and safe thus far!

At Fasset, we endeavour to offer assistance to our stakeholders in understanding the business complexities in relation to the impact of Covid-19. In keeping with this focus, Fasset wishes to share the following useful links to ensure that your businesses and staff get the right support during this time of uncertainty.

Due to the national lockdown announced by our President, please note that the Mandatory Grant submissions deadline has been extended to the **31 May 2020**. Please feel free to contact our call centre if you need further assistance with your submission.

Information and links shared on this mailer does not constitute legal advice, you are advised to seek professional assistance where necessary. We hope that you will find this information useful.

In times like these we must face these challenging times head on—not passively accept defeat and surrender to them. These can and should be times of re-dedicated service, friendship, resilience, positive thinking, work and most importantly love. We must be alert and alive to the stranger among us, and we must love and be kind to one another.

Keep safe and stay at home. We shall overcome!

Stay blessed.
