From 3 - 13 October 2022, I, along with 30 Top South African CFOs will travel to Capri, Italy to attend the CFO Alliance Summit and the Xliv National ANDAF Congress.

Last year I went to Mexico with a delegation of CFOs for the CFO World Congress and it was an awesome experience. It's an emerging trend dubbed, "bleisure" – a combination of business and leisure, allowing one to experience a little taste of the visiting country while on a business trip.

Don't miss out on this opportunity to see the sights of Capri and Rome, whilst networking with Top CFOs from countries across the globe and expanding your knowledge and understanding of ESG and the finance of the future.

Kind regards,

Nicolaas van Wyk
SAIBA CEO
