 **Namibia** is making history.

The overhaul of the Close Corporations Act and Companies Act is giving the economical landscape a massive make over and contributes to the shaping of the legal environment/ democracy of Namibia.

By reshaping the law, the capacity of business is strengthened through legal empowerment and accountability promoted.

With this summit, CIBA is bringing together the role-players who are dedicated to a better business environment and fast-tracked the reform. This summit is a unique opportunity to have direct access and understand the impact on business.

The law was shaped. This is history in the making.
Join us to know it.
So that you can use it.

I am looking forward to this New Namibia.

Best wishes,

Nicolaas van Wyk
CIBA CEO
