

The Chartered Institute for Business Accountants NPC proudly presents CIDO **ROADSHOW2024** BETTER TOWNS, SMARTER SPENDING

How accountants make your community thrive

Touring to show how accountants, local businesses and communities work together to improve and enhance municipal budgeting, spending, and transparency, making towns better for everyone

CHARTERED INSTITUTE FOR BUSINESS ACCOUNTANTS NPC **myciba.org.za** 

**10** Cities

#### Dear Army of Accountants,

The theme of our 4th annual roadshow is "Better Towns, Better Spending: How Accountants Help Your Community Thrive." Working with tech partners like Sage, QuickBooks, Draftworx, and Stratcol, and collaborating with local government, banks, business chambers, nonprofits, and community groups, we make every Rand work towards building thriving communities.

How We're Making a Difference:

- **Driving Smart Investments**: We work with city planners and local leaders toensure funds are used where they're needed most from fixing potholes to securing clean water.
- **Empowering Local Businesses**: With our tech partners and business chambers, we help local businesses grow, boosting the economy and creating jobs.
- **Strengthening Community Voices**: Through our partnerships, we ensure everyone in the community is heard, supporting transparent budgeting and spending that meets the community's needs.
- **Using Technology Effectively**: With tools from Sage, QuickBooks, and Draftworx, we enhance our work's efficiency and transparency, making it easier to track and optimize public spending.

The Roadshow is a step towards towns that truly serve their residents. Your skills and passion are essential for this mission.

Join us to help demonstrate the powerful impact we can have.

I look forward to seeing you there, sharing our successes, and working together to build better, smarter towns.
